

Vision 2023: Where Your Life & Purpose Connect

Five Core Values

Welcoming: as you are

Inclusive: everyone is valued

Intergenerational: for all

Growing as disciples of Jesus Christ: loving God/each other/the world

Serving others: within and beyond

Messiah Core Focus

This is the place...

- where we love people like Jesus does with an irresistible faith that will meet you where you are.
- where people of all ages will connect with a purpose greater than themselves.
- that invests in the next generation, providing ministry where each person can grow in faith and service to others.

We will...

- Reach persons within a 3-5 mile radius who do not have a church but identify as Christian
- Build on the good will and our reputation resulting from partnerships in the community
- Build relationships with Youth in the community to support their mental, spiritual, physical and emotional needs
- Build Children and family programs that make kids want to drag their parents to church and that make parents want their children to be involved
